

CLERK: Mr. President, then Senator Marvel announces an Executive Board meeting at the end of the session. Signed, Senator Marvel. Mr. President, an explanation of vote by Senator Kelly. (Read explanation). Mr. President, a thank you from Mrs. Norma Mills for the flowers sent to her. Mr. President, Senator Dworak asked to print amendments to LB 273. That is all, Mr. President. That is all of the interruption. Then we go back to motions.

SPEAKER LUEDTKE: Senator Simon.

SENATOR SIMON: Yes, Mr. President. I rise for a point of information.

SPEAKER LUEDTKE: State your point.

SENATOR SIMON: Based on the proposed agenda for today I have two questions. Number one, and correct me if I'm wrong, it is my understanding that we have to go through all of the LB's today. Is that correct?

SPEAKER LUEDTKE: These are all the appropriation bills. Because of the time schedule it is advisable to get all of these off of the positions they are in and take the motions today. That is true.

SENATOR SIMON: Based on the time schedule that we appear to be on right now, what would your estimate be in terms of when we would get done today?

SPEAKER LUEDTKE: If everybody talks as long as they've been talking we'll be here till 8 or 9 o'clock.

SENATOR SIMON: Thank you.

SPEAKER LUEDTKE: Senator Frank Lewis.

SENATOR F. LEWIS: Mr. President, I rise for a parliamentary inquiry in regard to the new rules of the Legislature as it relates to veto overrides. As I understand the procedure of the Appropriations Committee now meets with its membership and either recommends, or not recommends, an override. Is that the correct procedure?

SPEAKER LUEDTKE: Senator Warner, do you wish to respond?

SENATOR WARNER: Yes, Mr. President. I think that is generally true, so I assume that I should request that Appropriations could maybe meet upon adjournment today.

SENATOR F. LEWIS: In case there is some reluctance on the part of the Committee to personally sign the override, I am more than happy to do that.

SPEAKER LUEDTKE: I think the Chairman of the Committee heard that. Okay. Senator Warner, you will take care of that. All right, anything further Mr. Clerk?

CLERK: Mr. President, there are E & R amendments to 546.

(Senator Barnett presiding)

SENATOR BARNETT: Senator Cullan.
